About This Game

Ice Demon is a simple, but very challenging arcade-style game of survival. Play as Skalkos, the ice demon, and fight an endless horde of fire demons. Make use of hand to hand combat and use special powers to freeze enemies! Get as many kills as you can before you fall!

How far can you go? Achieve high scores to unlock new stages and game modes!

This 2011 game, previously hosted by Suits & Sandals, features some extra polish for this new version available on Steam! Experience improved game balance, some new features, and a few tweaks to stages for a more replayable and pleasant game!

Ice Demon includes:

- Punches
- Five main stages of gameplay
- Special sub-modes to mix up the game formula
- Leaderboards to compete with fellow blackbelts
 - Dying
- Expert mode for extended dying
